

What we did for writing in our

JÜL (F,G) English classes:

Topic: At school

This is what we did in level 2:

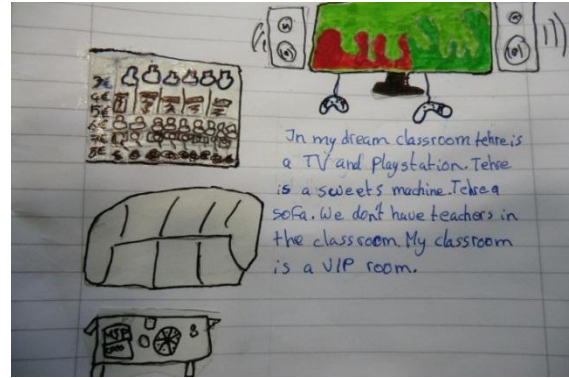

Our dream classroom

In our dream classroom there are sofas,
a sweets machine and an ice cream machine.

There is a computer, a TV and a play-station.

We don't have teachers in the classroom. There are a lot of books and magazines.

There is a fridge for snacks and cold drinks. There is lasagna and pizza for lunch.
